You Can Be a Wise Steward of Kingdom Treasure

“And Jesus said to them, ‘Therefore every scribe who has become a disciple of the Kingdom of Heaven is like a head of a household, who brings out of his treasure new things and old.’” (Matthew 13:52, NASB)

I. Key Vintage Words—They Get Better Over Time

A. My House Shall Be Called a House of Prayer

“It is written, He said to them, ‘My house will be called a house of prayer, but you are making it a den of robbers.’” (Matthew 21:13)

I had never heard a prophetic word in my lifetime. I did not know what one was until out of my own mouth a word came forth that was beyond my grasp. This revelatory word was based on the Gospels. Let me now recite for you the very first prophetic word I ever gave and the first prophetic word I ever heard. Instead of composing it, I am going to reply on the inspiration of the Holy Spirit to guide me today, as He did the November day in 1972.

B. Your World End-Time View Determines Your Lifestyle

This strategic word came to me when I was a young pastor of Harvest Fellowship in Warrensburg, MO in the early 1980's. I was in my downstairs office and the whispering voice of the Holy Spirit spoke something to me that was beyond my understanding, and I had no page for an application at that time. This word stayed with me, *stuck* with me, and I chewed on it and prayed

into it for years.

Realize that the teaching on the three-stage process of 1) revelation, 2) interpretation, and 3) application had not yet been birthed. That came some years later. Oh how I could have used that teaching then to plunge the depths of that simple and yet profound theological word. Lord, have mercy!

“Your world end-time view will determine your lifestyle.”

C. **The House of David and the House of Saul Co-Existing**

This prophetic word came to me when participating in an Intercessors for American Conference in Washington, DC in the mid-1980's.

“You must be careful not to stretch out the rod of your tongue against the house of Saul while it yet still stands even while you are longing for, yearning for, and praying for the House of David to come forth. You could disqualify yourself from participating in that which you have longed for, prayed for, and longed for, because remember, you too have come forth from the House of Saul.”

D. **It's Time to Make a Wave!**

The Lord once gave me a spiritual dream in which I was told, ***“Don't just wait for the next wave to watch it and possibly catch it. It's time for you to make a wave! Don't just wait for the stirring of the waters. You can draw forth the finger of God by the depth of your hunger and create the next wave.”***

For years I have sought to encourage and challenge people with this thought: “The depth of your hunger is the length of your reach to God.” In partnership with God, **it's time to make the next wave!**

Let's be among those who believe that we are called to go from glory to glory and that we are invited to be a part of the “Greater Works Generation”—renewed, revived, and reformed—to bring the transformation that Jesus

prophesied would come on earth as it is in heaven. Let us volunteer freely in the day of His power!

II. Three Recent Major Prophetic Dreams

In recent weeks and months of 2022, I have been having triad dreams in one night where the symbols are very different and yet the meanings are tied together. The following are an expression of three consecutive dreams in one night.

A. Hot Spots – Here we Come!

This word flashpoint has just been illuminated to me. So I looked up the definitions of the word but only one illustration has stood out to me. It is the phrase, “hot spot.” A flashpoint is a time when you reach a specific temperature that creates a certain chemical change resulting in what some refer to as a hotspot. Now typically, in a dictionary definition, a hot spot deals with violent eruption and a spilling over.

The Holy Spirit is looking for His next hot spots and times and places where there can be eruptions of His presence that create an unstoppable overflow. He also is searching for people just like you who He wants to settle in upon. Now, keep that in mind, but I have a word for you: *“Hot Spots, Here We Come!”*

B. The Lightnings of God

Now I’ll go to the second dream and I’m going to reference this as the “Lightnings of God.” The first dream in the sequence highlighted the flashes of God’s electric presence among God’s people as they gather. And then I saw something different in the second dream which occurred in the same night. Next, I saw the raw lightnings of God striking key, chosen individuals. It was powerful. One brief lightning strike of God can change the trajectory of a person’s life forever.

This infusion of power may bring total deliverance from the spirit of fear of man, or an instant healing, or an anointing and/or a commissioning. I saw the

lightnings of God falling upon and striking key choice people who have been seeking for purity in their hearts. This lightning presence of the Holy Spirit was being used to restore the fear of the Lord and the seeking of the fourth man in the fiery furnace like Daniel of old.

C. **The Sounds of Heaven on Earth**

In our dreams, the Lord often uses symbols from our own personal vocabulary. I saw my earthly father in heaven playing a golden instrument in a band. And in this band, there were two of his natural brothers. In this dream, my father was in the lead role in Heaven's Band. They were all in perfect sync playing unusual instruments which were very finely tuned. Everyone in this "Band of Brothers" were dressed in gold, but it was the sound that stood out. It was a symphony, yet a different kind of symphony—it was a new sound being played in heaven.

Suddenly my praying mother showed up, also dressed in a gold gown. She whispered a new lyric that only heaven knew, but was ready to release into my father's ear. My knower knew that before a new song is heard in earth with the reverberations that are needed to create a revival breakthrough, it first originates in heaven. It begins as a secret out of intimacy and is released to one of God's chosen vessels on earth. That might be a worship leader. It might be someone in the marketplace. It might be a secular singer. I don't want to limit this expression or chosen vessel.

And another important part of this dream is that it's all about family. God wants to heal the family. Yes, God wants to heal the family. And there's a band of brothers and sisters that we each need. This third key is available to all of us. We can each tune our heart into the sounds of Heaven and we can each create our own dwelling place of God on earth. You really can. So this trio of dreams is actually about God's kind intention for a revival breakthrough of His divine presence.

III. Ancient Demonic Gateways Must Be Closed

A. The Leviathan Spirit – Don't Get Caught Up in the War of Words!

The audible Word of the Lord came to me saying, *"You must be careful not to get caught up in the war of words."*

There are two demonic spirits that need to be identified and their gateways need to be shut. The Leviathan Spirit has been and is partnering with the demonic Spirit of Offense. Leviathan causes your words to be twisted and used out of context. When it works against individuals, you will manifest it by becoming defensive and even belligerent.

Don't fall into its snare!

B. The Demonic Spirit of Offense

There is a spirit of offense that has been loosed in the earth. This is not a low-level type of spirit. It is very high-level. God is working in the hearts and minds of believers to be "unoffendable." There are testings taking place to see whom God can trust to steward this coming great move of God. Even those who feel that they cannot be offended are going to be surprised at the level of offense they are capable of in the coming days.

Pride is a stumbling block. It is usually the root of offense. God is admonishing us that He opposes the proud and He promotes the humble!

Remember when I was told in a dream, *"You are never too old for the Sermon on the Mount."*

IV. The Release of the Holy Spirit Entrepreneurs

A. Entrepreneurs and Wealth Creation

"There's a fresh and unusual anointing for entrepreneurship and multitasking."

There's a correction coming on the teaching of wealth transfer. It is not about pick-pocketing, but a creation of wealth."

In essence He's saying, "It's not a Robin Hood, pick-pocketing anointing." He's bringing correction to the teaching and application of wealth transfer. It is not about taking from those who have wealth and transferring their riches to the church. It is about the creation of wealth!

1. An exchange is taking place. There's a changing of garments taking place for many.

Some who have worn the priestly garments are now going to go outside of the house and put on marketplace garments. They are going to create wealth and be prosperous in it.

Some of you are getting this right now. Study the life of Joseph and how Joseph wore many different garments. Some of you know you have been called to be a Joseph, but what you haven't understood is that there's a requirement of wearing many different garments.

2. Corrective inventions! You're one tweak away from an old concept coming into a new reality.

There is a correction to inventions that are already in your lane, already in your mind, that you've already been working on, and some of you have given up on them. That should encourage some of you. You're only one tweak away from the old concept actually coming into reality.

3. Mompreneurs. There is a grace and anointing for Mompreneurs to arise.

You know how to stretch a buck, you know practicality, you know creativity. And I want to encourage you, there is a grace. The Holy Spirit announced the release of "Holy Spirit entrepreneurs" and a whole class or category is "Mompreneurs."

4. **Good News! We are to take this anointing outside the House. Let's keep God's house clean.**

There's a fresh and unusual anointing of entrepreneurs and multitasking. There's a correction coming on the wealth transfer teaching because it's not about pick pocketing, but rather creation of wealth. Here's my basic summary.

- a. There is an exchange taking place. Watch for the changing of the garments.
- b. For many there are corrective inventions. In other words, you're one tweak away from an old concept coming into reality.
- c. Mompreneurs are arising.

B. It's Time for the Global Josephs and Daniels

In looking at the world's powers, we see that the war over nations is also an economic one. It is also one of entrepreneurship. It is also one of creativity.

For instance, Taiwan is the world's largest chip manufacturer. Although the sand from Egypt is imported to build the chips, the nation that has the largest chip production is Taiwan. Therefore, it is a critical part of China's desire to rule the world economically. Please note that in the United States, Arizona is becoming a strategic partner of Taiwan's production of the chip industry. Chips are very significant as they are used in computers, smart-phones, and many other innovative technologies.

Yes, it's time for the Josephs, and the Holy Spirit is anointing Daniels as well. These will work with the Deborahs and Esthers internationally with the cluster anointing to release funds for the Kingdom purposes.

V. Three Keys for Revival Doors

"He has told you, O man, what is good; and what does the LORD require of you but to do justice, to love kindness, and to walk humbly with your God?"

(Micah 6:8, NASB)

A. **Three Tools of Divine Cooperation**

There are three keys that I share in my book, *Revival Breakthrough*. These keys are used to open heavens, minds, and doors for revival breakthrough:

1. Prayer and fasting
2. Hunger for God's manifest Presence
3. Receiving prophetic revelation

I believe that each of these aspects can be demonstrated biblically and historically about the elements that precede the revival of God's great Presence. Revelation 3:20 says, "*Behold! I stand at the door and knock. And if anyone opens the door ...*" He's coming to bring you flashes of His presence, to bring the lightnings of God, and to help tune us into the sounds of heaven to be released on earth.

With all of this in mind, let's now pray!

B. **Let's Pray Together**

Almighty God, we magnify Your great name! We want to see the great end-times harvest come in, for Jesus Christ's sake. We want to see the Body of Christ walking in purity, creativity, and power. We declare, "Your Kingdom come, Your will be done on earth as it is currently done in heaven." We want to see a sustained move of God that takes us into societal change in which we go from glory to glory. Raise up reformers as You have done in days past. Raise up another Great Awakening! Take us from the Great Reformation into the New Era of the Great Transformation, for Jesus Christ's sake. Raise up the Josephs, the Deborahs, the Daniels and the Esthers in this generation. Let Your glory cover the earth as the waters cover the seas. In the mighty name of Jesus, amen and amen!
